Situated in a quiet, green residential area of Costa de la Calma, this property offers an attractive opportunity in the sought-after South-West of Mallorca. Surrounded by mature Mediterranean trees and natural greenery, it enjoys privacy and a relaxed atmosphere in a strong micro-location. The existing house provides a base layout with terraces and outdoor space and is a good starting point for buyers who wish to modernise the property or adapt it to today's lifestyle expectations. At the same time, the land offers a clear alternative: the size and positioning of the plot provide an excellent foundation to create a new, modern home concept. A further plot is included and...(Ask for More Details!)
