Front line property to renovate with 3 apartments and a shop in Puerto de Soller. The constructed area of the offered property is spread over 4 levels, la arge shop on the ground floor and a total of 3 apartments, one on each floor. All apartments have large terraces with a fantastic view of the whole bay of Puerto de Sóller. The apartments on the first and second floor have 3 bedrooms each and the penthouse has 1 bedroom. It is a very interesting investment to rent apartments and the shop. Although it can also be interesting as a family home.
