Apartment in Puerto de Andratx

3	3	207m²	N/A	N/A

This well-presented duplex apartment is located in one of the most desirable areas of Puerto de Andratx and enjoys open views over the harbour entrance and towards Dragonera Island. The property is in excellent condition and offers beautiful sea and nature reserve views. The apartment is arranged over two levels and has a practical, family-friendly layout. It features three generously sized bedrooms, all with en-suite bathrooms, as well as a bright open-plan living and dining area with a modern integrated kitchen, creating a spacious and welcoming living environment. The property benefits from generous, sunny terraces and direct, easy access to the communal swimming pool, making it ideal for both permanent...(Ask for More Details!)
