Land a Plots in Costa daen Blanes

0	0	995m²	1,739m²	N/A

Located in the exclusive area of Costa d'en Blanes, one of the most sought-after neighborhoods in southwest Mallorca, this exceptional plot of 1,739 m², resulting from the merger of two plots of 864 m² and 875 m², offers the opportunity to develop a high-end residential project. The property allows a total built area of 995 m², including basement, ground floor, first floor, and covered vehicle access, with a total buildable area of 508 m². Costa d'en Blanes is renowned for its privacy, security, and upscale environment, and is conveniently close to Puerto Portals, Palma, and the motorway, ensuring ease of access year-round. The plot offers ample space for a luxurious...(Ask for More Details!)
