338m²

515m²

Modern villa on a 515 m² plot with 338 m² built, offering 3 bedrooms, 3 bathrooms, and a guest toilet. Located in a privileged area with panoramic sea views and views of Benidorm, the property combines comfort, style, and energy efficiency. It features air conditioning, a private garage, a landscaped garden, and 4 kW solar panels. The villa is sold unfurnished. Built with reinforced concrete and insulated foundations, it has high-quality finishes including plastered ceramic brick walls, a white acrylic façade, and porcelain flooring throughout, both inside and out. Ceilings are plasterboard, with removable sections in bathrooms for access to installations. The kitchen is fully equipped with upper...(Ask for More Details!)
