We present this modern fully renovated penthouse, located in one of the most sought-after areas of Port Adriano. The property offers a luxurious experience with stunning panoramic sea views from its spacious rooftop terrace. This penthouse features private access, an included parking space, and a storage room, ensuring comfort and security. Its modern design includes air conditioning and underfloor heating, both controllable via an app, providing year-round comfort. The kitchen is fully equipped with high-end appliances, and the living room includes a fireplace and a Sonos sound system, creating an ideal space for relaxation and entertainment. Electric blinds and triple-glazed windows provide privacy and energy efficiency. With 143 m² of...(Ask for More Details!)
