Located on the second floor of a three-story building, this 88 m² apartment with a 21 m² terrace offers two bedrooms and two bathrooms. Built in 2025, it combines contemporary design with advanced energy-efficient features, in a peaceful resort setting that offers both sea and mountain views. The apartment is oriented to the south to maximize natural light and improve energy efficiency for both heating and cooling. The terrace is non-trafficable, finished with artificial grass, and includes waterproofing and insulation. A high-performance aerothermal system provides domestic hot water. Thermal insulation is integrated into the walls, contributing to a comfortable indoor climate year-round. The external joinery is finished in...(Ask for More Details!)
