Building plot with approved project and licence in a peaceful rural setting near Moscari, offering privacy, views and excellent access to Palma and the north coast. Set on approx. 21,000 m² at the foothills of the Tramuntana, the plot enjoys open panoramic countryside and mountain views. The project includes a private vineyard, adding character and long-term lifestyle appeal. The approved design allows for a substantial luxury finca of around 680 m², with multiple en-suite bedrooms, generous living areas, terraces, pool and optional leisure spaces such as spa or cinema. With licence already in place, construction can begin without the delays typically associated with new applications. A compelling opportunity to create...(Ask for More Details!)
