Located in Peguera, a charming coastal area within the municipality of CalviÀ , this elegant new development is set in a privileged position in the sought-after southwest of Mallorca—one of the island's most exclusive regions. The surroundings are defined by their idyllic setting at the foot of the impressive Serra de Tramuntana, proximity to the sea, and an à¤%òà¤¤à¥•à¤•à¥fà¤•à¥•à¤Ý range of services and amenities. With a strong commitment to sustainability and modern living comfort, the semi-detached homes are built using high-quality materials and advanced technologies to ensure maximum energy efficiency. Large windows flood the interiors with natural light, creating a bright and harmonious living atmosphere. Motorized shuttersâ€”equipped with additional security features. (Ask for More Details)
