Country House in Sencelles

4	4	470m²	22,453m²	✔

Contemporary fincas set within a vineyard between Binissalem and Sencelles, with open views to the Tramuntana mountains. Selected homes are currently available. Set among the vines, the environment feels open and rural. The surrounding vines are professionally managed, so the setting can be enjoyed without the responsibility of maintaining them. Each finca sits on its own plot of around 2 hectares and is fully independent, with buyers able to choose the home that suits them best. The setting offers a sense of space without feeling isolated. The location is well positioned for easy access to nearby villages and Palma, combining a countryside setting with practical day-to-day convenience. Each home is...(Ask for More Details!)
