130m²

2,230m²

Modern 4 Bedroom Villa with Large Plot in La NucÃ-a Located in one of the most peaceful and sought-after areas of La NucÃ-a, this fully renovated detached villa (completed in 2025) offers modern comfort, refined design, and exceptional investment potential. The property sits on a 2,230 m² plot, which includes an adjoining buildable parcel, ideal for the construction of a second home or for expanding the existing property. The main house offers 130 m² built over two floors, with spacious, light-filled interiors and a practical, contemporary layout. The main floor features a high-end, fully equipped kitchen with direct access to the terrace and living room. The open-concept living area boasts...(Ask for More Details!)
