Town House in Campanet

4

2

366m²

234m²

This beautiful contemporary townhouse for sale in Mallorca is located in the picturesque village of Campanet, in the heart of the island's northern region. It is one of three exclusive homes that perfectly blend traditional charm with modern design. The ground floor features a bright open-plan living and dining area with direct access to the terrace, along with a sleek, modern kitchen equipped with integrated appliances and a guest toilet. Upstairs, the first floor offers four bedrooms. One of these is currently used as an office, while the bathroom has been transformed into an open walk-in wardrobe. The basement includes a bodega as well as an additional room with space...(Ask for More Details!)
