319m²

Located in the highly sought-after Son Dameto area, this exceptional ground floor apartment forms part of an exclusive luxury complex featuring a beautiful community pool and a small gym. Surrounded by excellent schools, hospitals, and all essential services, the setting is ideal for families seeking comfort, convenience, and a high quality of life. Offering 123 sqm of living space, the property currently comprises three spacious bedrooms, originally designed as four, with the possibility to easily reinstate the fourth bedroom if desired. This flexibility makes it perfectly suited for growing families or those in need of a home office. The elegant master suite features a private en-suite bathroom and a generous...(Ask for More Details!)
