Bright loft in an 19-century building just a few steps away from the emblematic Paseo El Borne. Open-space in luxury bright attic with large communal terrace in La Lonja. This loft- style apartment consists of 169 constructed square meters istributed in an open-space with an Island kitchen with high end appliances. There are two bedrooms, one provided with a dressing room. The propety has two bathrooms, parquet and charming french balconies that guarantee plenty of light and maximum stillness thanks to it's double glazed windows. It is located on the third floor of the building and there is no lift. All the details are designed for providing a modern, relaxing,...(Ask for More Details!)
