Villa in Caimari

5	3	387m²	504m²	✔

This beautiful traditional house is located in the small village of Caimari, located at the foot of the Tramuntana mountain range. Reformed in 2008, the property retains a traditional Mallorcan feel with a modern twist and stands out for its authentic original features such as its stone faÃ§ade. Set on a plot of 504m2, this spectacular house of 387m2 is distributed between 5 bedrooms (4 double) and 3 bathrooms. Complemented by a fully fitted italian kitchen, living room, dining room, office, laundry room, storage room and a garage that has space for 2 or 3 vehicles. Air conditioning can be found throughout the house. The highlight of this attractive...(Ask for More Details!)
