Villa in Cala Pi

4	3	215m²	627m²	✔

This modern villa in Cala Pi was built in 2019 and impresses with its clear architecture, spacious rooms and a stylish living concept. On the ground floor there is an inviting living and dining area with an open, fully equipped kitchen, which flows smoothly into the Mediterranean garden with terrace areas and the 12-meter pool. On this level there is also a bedroom with bathroom en suite and a separate guest bathroom. The first floor houses three additional bedrooms, including a suite with a private bathroom. An additional bathroom is available to the two other bedrooms. The beautiful sea view also opens up from here, which underlines the special charm...(Ask for More Details!)
