Beautiful rustic plot located in the municipality of Algaida, in the peaceful area of Sa Comuna Nova. The property consists of two adjoining plots which, once combined, offer a total surface area of more than 25,000 m². This allows for the construction of a detached house with a swimming pool, subject to obtaining the relevant planning permissions. Partially wooded with pine trees and wild olive trees, the land enjoys a natural and authentic setting. It is also partly bordered by charming dry-stone walls, characteristic of the Mallorcan landscape. Set in a particularly quiet area with only a few distant neighbours, the plot offers a high level of privacy and is...(Ask for More Details!)
