Located in the prestigious residential area of Son Vida, this high-quality building plot is set in a peaceful, nature-surrounded environment. The property is offered for sale together with a fully developed architectural project and an approved municipal building licence, allowing construction to begin immediately. The project envisions the construction of a contemporary luxury villa distributed over three levels on a generous plot. The design follows a modern architectural concept with open-plan living spaces, abundant natural light, and a strong focus on comfort and lifestyle. The plot measures approximately 2,163 m² and provides an ideal setting for an exclusive residence in one of Mallorca's most sought-after locations. The planned villa offers...(Ask for More Details!)
