Located in the prestigious residential area of Son Vida, this exceptional plot offers a unique opportunity to create a luxurious residence surrounded by nature and complete privacy. The property is sold together with a sophisticated architectural project and a valid building licence, allowing construction to begin immediately. The expansive plot of approximately 3,274 m² is perfectly positioned in one of Mallorca's most sought-after locations. The approved project foresees the construction of an elegant contemporary villa distributed over three levels plus a stunning rooftop terrace, designed to maximize natural light, comfort, and the beautiful surrounding views. The planned residence offers a total constructed area of approximately 937 m² and combines modern architecture with traditional Mallorcan style. (Ask for More Details)
