Located in the prestigious residential area of Son Vida, this exceptional plot offers a unique opportunity to create a luxurious residence surrounded by nature, privacy, and stunning views. The property is offered for sale together with a sophisticated architectural project and a valid municipal building licence, allowing construction to begin immediately. The plot extends over approximately 2,366 m² and provides the perfect setting for the development of an exclusive contemporary villa. The approved project foresees a residence distributed across three levels plus a spectacular rooftop terrace, carefully designed to combine modern architecture, spacious living areas, and seamless indoor-outdoor living. A particular highlight is the west-facing façade featuring a beautiful private terrace. (Ask for More Details)
