This beautiful new-build finca is located in the municipality of Sineu on a generous 15,600 m<sup>2</sup> plot, surrounded by nature and offering fantastic views and exceptional privacy. Construction has already begun, providing a wonderful opportunity for future owners to make selected adjustments and choose materials and finishes during the building process, creating a home tailored to their personal preferences. Access to the property is through an electric gate, leading via a private driveway to the front of the house. There is ample space to park several vehicles discreetly and out of sight. The bright living room and open-plan kitchen connect seamlessly to the covered terrace, where panoramic views of the...(Ask for More Details!)
