This beautiful new-build finca is located in the municipality of San Juan on a 14,400 m² plot in a stunning natural setting, offering fantastic views and exceptional privacy. The property is currently under construction and is scheduled for completion by the end of 2026. This presents an excellent opportunity for buyers who would like to make slight modifications to the design and select finishes and materials during the construction process, creating a home tailored to their personal preferences. Access to the estate is through an electric gate, leading via a private driveway directly to the front of the house. The spacious living room and kitchen open onto a covered terrace,...(Ask for More Details!)
