616m²

A truly exceptional first sea line plot in Port Andratx, offering a rare opportunity to create one of the finest contemporary homes on this stretch of coastline. The fully permitted project has been designed with four luxurious bedroom suites, each with its own ensuite bathroom, dressing room, and private sitting area. Every suite is positioned with the bed facing directly towards the sea, creating uninterrupted panoramic views across the bay, the port, and the surrounding mountains, a feature that makes this property completely unique. The swimming pool is positioned at the front of the property, directly facing the sea, allowing for spectacular open views and sunsets throughout the year. As...(Ask for More Details!)
