This beautiful townhouse was built in 1900 and is located in the center of Felanitx. On the lower floor there is the artist's studio with separate street access, a large reception area, a bathroom, the kitchen and the laundry room. On the first floor is the master bedroom with bathroom ensuite and a large living room. The upper floor offers space for a complete guest area with two bedrooms, a bathroom and a living room with access to the sunny terrace. The house was extensively renovated by the current owners. It was important to preserve all historical elements and to adapt all new materials to the style of the historic...(Ask for More Details!)
