Town House in Sa Pobla

2	0	154m²	181m²	N/A

We present this magnificent property for renovation in Sa Pobla, a blank canvas ideal for both families looking to create their dream home and visionary investors. The property features 154 m² built on a generous 181 m² urban plot. It particularly stands out for its wide facade of almost 15 meters, an exceptional characteristic that provides enormous flexibility when designing the layout of spaces, allowing for multiple access options and magnificent natural light. On one hand, the space is perfect for designing a spectacular custom-built single-family home. Taking advantage of the plot's spaciousness and the large facade, you will have the opportunity to include a comfortable private garage and even...(Ask for More Details!)
