N/A

Located in a peaceful residential area of Bah a Grande and just a short distance from the sea, this single-storey villa presents an outstanding opportunity to create a fully customised home. The main house offers bright and spacious interiors, including a generous living-dining room, a kitchen with space for an island and breakfast area, a utility room, three bedrooms and two bathrooms. In addition, the property features a separate adjoining building with multiple possibilities, ideal for conversion into a guest house with up to two bedrooms, a studio, gym or home office. A unique opportunity to design and finish a home tailored to your personal taste and lifestyle in a family-friendly...(Ask for More Details!)
