We present this excellent real estate opportunity: a spacious and versatile 150 sqm first-floor apartment that stands out for its exceptional private annexes. The property, in perfect state of conservation and ready to move in immediately, currently features four bedrooms and two full bathrooms. Its optimal layout offers an ideal base for a simple aesthetic update or a redistribution of spaces according to the new owner's preferences. The great added value of this property lies on its ground floor, which includes a spacious private garage with capacity for two vehicles and direct access to an extraordinary 121 sqm private plot. This generous outdoor area, also directly connected to the dwelling,...(Ask for More Details!)
