This beautiful ground-floor apartment of approximately 75 m² is located within a well-maintained residential complex that stands out for its peaceful atmosphere and excellent communal facilities. The property features two spacious bedrooms and two modern bathrooms, thoughtfully designed with both comfort and functionality in mind. Air conditioning is installed throughout the apartment and can be conveniently controlled via a mobile app, ensuring year-round comfort. High-quality finishes include double-glazed windows and aluminium shutters, providing excellent thermal and acoustic insulation. The apartment is being sold fully furnished and is ready to move into immediately. Thanks to its private position within the community, residents can enjoy the afternoon sun from the terrace and...
