Historic building (former convent) for sale in the center of Consell, with an approved hotel project for the creation of a 10-room boutique hotel and an active tourist license for 20 places. Distributed over 3 floors with architecture that respects the building's essence. The project includes a bicycle room with its own workshop, entrance/reception area, industrial kitchen, dining room with direct access to the garden with a pool, sauna, elevator, and several terraces. An exceptional investment in a market with restricted tourist licenses. With an unbeatable, quiet, and central location, this property is destined to become a benchmark hotel on the island. Important note: The property is sold as a...(Ask for More Details!)
