Villa in Costa daen Blanes

4	4	372m²	1,137m²	✔

This completely renovated villa offers modern living on two levels and impresses with its modern, contemporary furnishings and well thought-out room layout. It is ideal for families or couples who value ample space and a great location. The well thought-out room layout and bright rooms make this property a place to feel at home. In the entrance area, you are greeted by a practical hallway that leads directly into the open-plan living and dining room. This area is flooded with light and has a fireplace that creates a cozy atmosphere. The adjoining kitchen is functional and equipped with Bosch appliances and a small coffee kitchen. From here you can access...(Ask for More Details!)
