3,374m²

The house is situated on 3.374 m² of land in the small and most attractive hamlet of Ses Alqueries near the village of Santa Eugenia, about 20 minutes from Palma. The constructed area of the property has been completely renovated and carefully restored during the last few years, preserving the old character of the mill and combining traditional and modern elements. This charming home is surrounded by a lovely flat garden with beautiful patios and terraces to enjoy the outdoors during all seasons, a large 12x5 metre salt water swimming pool, a pond adorned with water lilies and a fountain. The property retains its original character and the mill...(Ask for More Details!)
