This beautiful finca in the peaceful countryside of Puerto de Andratx perfectly combines authentic Mallorcan charm with modern comfort and high-quality finishes. Situated on a generous plot of approximately 4,000 m<sup>2</sup>, the property offers privacy, tranquility, and an exceptional Mediterranean lifestyle surrounded by nature. Originally built in 1954, the house was completely renovated and refurbished to the highest standards in 2017. Great attention was paid to every detail, using only premium materials and high-quality craftsmanship throughout the entire property. The finca features four spacious bedrooms and three elegant bathrooms designed for maximum comfort. High-quality parquet flooring creates a warm and sophisticated atmosphere, while underfloor heating throughout the house is included. (Ask for More Details)
