This attractive townhouse-project offers a rare opportunity to realise a modern residential project in a sought-after location without delay. A valid building licence is already in place, meaning construction can begin immediately. The approved project foresees a contemporary townhouse with a double garage, a spacious living concept and a private outdoor area. On the ground floor, an open-plan living and dining area connects harmoniously with the kitchen. From the kitchen, there is direct access to the covered terrace, ideal as a sheltered outdoor dining area or summer kitchen. This level also includes one bedroom with an en-suite bathroom. The upper floor comprises three further bedrooms, each with its own bathroom....(Ask for More Details!)
