Cosy house in the village of Selva, 140m² built and distributed in ground floor + 2 floors and 2 terraces. The roof terrace has 360° of stunning views to the village, mountains and the natural environment. We enter the lovely house by the living room, kitchen and 1 big bathroom. The ceiling of the kitchen is made of safety glass so much more light comes in and we also have a view of the upper sitting area. Arriving at the first floor we reach directly the second living area which leads to another bedroom, 1 bedroom that could be used as an alternative office with storage room, a dressing area...(Ask for More Details!)
