This renovated penthouse is located within walking distance of the center of Andratx, with its restaurants, cafés, and shops for daily needs. The apartment is easily accessible via an elevator. The living space consists of an open-concept living and dining area with an integrated kitchen, three bedrooms—including a master suite with an en suite bathroom—and an additional bathroom. Hot and cold air conditioning and underfloor heating ensure a comfortable living environment all year round. A special highlight is the spacious rooftop terrace with an outdoor kitchen and outdoor shower. It offers plenty of space to spend time with family and friends or to enjoy the view of the mountains.
