15,500m²

N/A

Surrounded by the peaceful countryside of Ses Salines, this exceptional finca is set on a private plot of more than 15,000 m², offering complete privacy, beautiful natural surroundings, and an authentic Mediterranean lifestyle in one of Mallorca's most desirable rural locations. Built in 2006, the property combines timeless architecture with generous proportions and an abundance of natural light. Spacious living areas flow effortlessly onto the surrounding terraces, creating a seamless connection between indoor comfort and outdoor living. Every room has been designed to embrace the tranquil setting, making the finca an ideal retreat for those seeking peace without compromising on space or quality. The heart of the home is the...(Ask for More Details!)
