This unique home, built in the traditional Mallorcan style, is available for rent—a property brimming with character where original features blend seamlessly with spaces that have been renovated and adapted to modern needs. The house stands out for its spacious rooms, high ceilings with exposed beams, stone arches, wooden trim, and floors that preserve the essence of local architecture. The layout features various living rooms and lounge areas, a spacious dining room, and a fully equipped separate kitchen, creating comfortable spaces for both daily life and entertaining guests. The sleeping area includes several spacious and bright bedrooms, some with access to the outdoors, as well as renovated bathrooms with modern...(Ask for More Details!)
