Villa in Costa daen Blanes

5

4

334m²

895m²

Immerse yourself in the energy and exclusivity of Costa d'en Blanes, in a residence that dominates the coast from above, designed for those who live the island at a dynamic pace and do not want to compromise on anything. This villa represents the perfect choice for those who desire absolute connectivity and a breathtaking marine horizon. Situated in an incredibly strategic position, literally a stone's throw from the renowned marina of Puerto Portals with its sparkling boutiques and fine dining restaurants, the property allows you to fully experience the glamour of the island, while offering unforgettable sunsets framed by characteristic Mediterranean pines. Crossing the threshold on the upper floor, the...(Ask for More Details!)
