This contemporary villa, forecasted to be completed by late 2024, is situated in the peaceful region of Bendinat, close to the Royal Golf Course. The property sits on a flat parcel of land, providing a secluded garden with a magnificent panorama encompassing the Bendinat Castle, the golf course, and the sea. The modern, linear design of the villa incorporates extensive glass elements, promoting a sense of fluidity between the indoor and outdoor spaces and inviting a wealth of natural light into the interior. The ground floor comprises an open layout featuring a living and dining area equipped with a kitchen island, opening directly onto a terrace with an extensive pool....(Ask for More Details!)
