Villa in Costa daen Blanes

4	5	311m²	982m²	✔

Perched in one of the most elevated and privileged positions in Costa d'en Blanes, this exceptional villa offers a rare combination of privacy, panoramic sea views and contemporary Mediterranean living. Set on an elevated plot of approx. 980 m², the property enjoys breathtaking views across the Mediterranean Sea and the surrounding hills, creating a serene atmosphere just minutes from Puerto Portals, nearby beaches, renowned golf courses and Palma. Designed to embrace Mallorca's outdoor lifestyle, the villa seamlessly connects elegant interior spaces with generous terraces and outdoor entertaining areas. The main living and dining area is located on the upper level, offering spectacular views and direct access to sun-drenched terraces and...(Ask for More Details!)
