Perched above the dramatic coastline of Estellencs, this exceptional historic finca is one of the most unique rental properties currently available in Mallorca. Set within an impressive private estate of 18.4 hectares, it offers complete privacy, breathtaking panoramic sea views and an unrivalled connection with nature, with no immediate neighbours to interrupt the peace and tranquillity. This remarkable home enjoys a privileged position overlooking the Mediterranean, where every evening is accompanied by spectacular sunsets. Scattered throughout the estate are several natural viewpoints, each offering a different perspective of the coastline and the surrounding landscape, making this a truly magical place to unwind. The finca beautifully preserves its historic Mallorcan. (Ask for More Details)
