1

77m²

305m²

Urban plot of 305m², 18 metres from the sea in El Molinar Palma, with a small construction of 47m² and 20m² of storage room. It is possible to build 4 flats (with 2 floors) or between 3 or 4 townhouses depending on m² and regulations, there is a buildable area of 400m². Very sought after area with high price projection.
