Discover Your DreamhomeWe are delighted to present this spectacular, newly built villa with open views and superior craftsmanship throughout. Spanning two levels, the home features an open-plan lounge, dining room, and state-of-the-art kitchen, as well as 5 spacious bedrooms with 4 en-suite bathrooms (including a ground-floor suite). An internal elevator connects all levels, leading up to light-filled living areas that frame the surrounding sea landscape. Designed for effortless Mediterranean living, the exterior offers a private infinity swimming pool, sun-drenched terraces, and a private garage. Finished with premium natural stone floors, underfloor heating, integrated air conditioning (warm/cold), and solar panels, this residence delivers luxury, efficiency, and comfort in equal measure.
