Country House in Sa Rapita

7	6	605m²	34,110m²	✔

A rare opportunity just moments from the famous natural beach of Es Trenc: two high-quality fincas situated on directly adjoining plots, creating one exceptional estate while allowing each property to remain entirely independent. This unique setup is ideal for families, different generations or close friends who would like to enjoy Mallorca together while still maintaining their own privacy and personal retreat. Both homes have their own private access, swimming pool and completely independent living areas. At the same time, they are only a few steps apart â€“ perfect for meeting spontaneously for coffee, dinner or a glass of wine by the pool. The first finca offers three bedrooms, while the...(Ask for More Details!)
