Exclusive Collection of 6 Contemporary Villas in La Nucia - Completion April 2027 A small private development of eight modern villas designed for those seeking peace and privacy without sacrificing proximity to essential services such as international schools, sports facilities, restaurants, bars, shops, supermarkets, and a gym. The location combines a well-maintained residential environment with excellent road connections to the main road of La Nucia. Each villa is situated on an independent landscaped plot with a private pool and a terrace oriented to maximize sunlight throughout the day. Each home features a private garden and direct access through a private path, with an enclosed garage for one or two...(Ask for More Details!)
