This spacious rustic plot of almost 15,000 m² is ideally located just 1 km from Campos and approximately 9 km from Sa RÃ pita and the beautiful south coast of Mallorca. The property is currently in the process of obtaining the building licence, offering an excellent opportunity to acquire a plot with an attractive residential project already underway. The planned project comprises a beautiful three-level country house with a basement level featuring a private garage, a ground floor and first floor, as well as a swimming pool and spacious terraces. The total planned constructed area is approximately 340 m², creating an ideal setting for a spacious private residence surrounded by the...(Ask for More Details!)
