Apartment in Palma de Mallorca

5	3	139m²	N/A	N/A

Located in one of Palma’s most established neighbourhoods, this spacious 175 m² property offers excellent potential both as a family home and as an investment project. The property features five double bedrooms, three full bathrooms â€” one of them en suite â€” and generous living areas. The well-sized kitchen is furnished and equipped and includes a large pantry and a practical utility room, providing valuable additional storage and service space. The property requires some updating, offering the opportunity to adapt different areas to the needs and preferences of the new owner and create a truly personalised home. The building has a lift and is part of a quiet residential community....(Ask for More Details!)
