Independent House with Views and Garage in La Nucia Located in a quiet and sunny residential area, close to all amenities such as restaurants, supermarkets, pharmacy, and shops, and just minutes away from the Elian International School. Built in 1975 and renovated in 2016, the property is spread over three floors. This independent house is situated on a plot with access from two streets: the main entrance for pedestrians and a secondary one with direct access to the garage and parking spaces. On the upper floor, a bright living-dining room with a gas fireplace and large windows opens to sunny and shaded terraces. The open kitchen is fully...(Ask for More Details!)
