This exceptional, newly renovated penthouse in a sought-after residential complex in Maioris (Llucmajor) combines Mediterranean charm with generous living spaces and a level of tranquility that is rarely found in the south of Mallorca. Located on the second and top floor of a very well-maintained building from 2005, the apartment's orientation ensures bright, sun-filled rooms throughout the entire day. The well-designed layout extends over approximately 89 m² of living space and features two double bedrooms, both equipped with elegant built-in wardrobes. The modern bathroom impresses with a particularly spacious walk-in shower, creating a true feel-good atmosphere. High-quality Climalit windows with double glazing and Mallorcan-style aluminum shutters provide excellent insulation. (Ask for More Details!)
