Land a Plots in Llucmajor

0	0	N/A	59,844m²	N/A

Spacious plot of 59,844 m² for sale, situated in a peaceful location with beautiful open views and just around 10 minutes from Llucmajor. There may be the possibility of applying for a connection to the GESA electricity network, as electricity is available nearby. In addition, a Manresa water pipeline runs directly alongside the plot, which could facilitate a future connection, subject to the relevant authorisations and conditions. According to the information currently available, there may be the possibility of building a residential property of up to approximately 1,500 mÂ³. However, this information is still pending official confirmation from the Town Hall, where the relevant enquiry has already been submitted. An...(Ask for More Details!)
